Re: Notification of Pending Non-Compliance Notice, Snowflake 30-31, S/027/048, Millard County, Utah

Dear Mr. Carpenter:

In June 1998, we sent a billing statement to Thom Clark of Industrial Minerals, Inc. to pay the newly required annual permit fee of \$100.00 for small mining notices. A delinquency notice was sent in October 1998 for failure to pay this fee. At that time, Mr. Clark informed us that he was not associated with this site and that he filed the permit application as a consultant for the company. Mr. Clark gave us your name and address as the claimant of the property. In February of 1999, we subsequently sent you a copy of the 1998 permit fee billing. On March 12, 1999 you informed us that Industrial Minerals, Inc. has been out of business for approximately 5 years and to please take your name off this permit.

This letter is to advise you that we have discussed this matter with the Bureau of Land Management and they agree that unreclaimed mining-related disturbance still exists at this site. Although Industrial Minerals Inc. is no longer in business, that does not eliminate the fact that surface disturbance was created which still needs to be reclaimed.

In a more recent phone conversation with Tom Munson of my staff, you asked if we knew someone who could perform this reclamation work for you. There are any number of general contractors that can do this type of work. I have attached a short list of contractors that have had some reclamation experience. We cannot endorse or specifically recommend any of these contractors, therefore use them at your own discretion.

This site is in a potential non-compliance situation. To avoid the possibility of additional enforcement action, as provided for under the Utah Mined Land Reclamation Act, the following outstanding concerns will need to be resolved in a timely manner:

1. Filing of the required annual \$100 permit fee. This fee is assessed annually until the site is reclaimed and released, therefore you now owe for 1998 and 1998 (bill enclosed).

2. Filing of the required annual reports for years 1995, 1996, 1997 and 1998.  
*(A blank copy of this annual report form is attached)*

***Please contact this office within two (2) weeks of your receipt of this letter, stating your intentions to resolve these concerns.*** Please contact me at (801) 538-5286 or Tom Munson at 538-5321 if you have further questions in this regard. Thank you for your cooperation in this matter.

Sincerely,

D. Wayne Hedberg
